### EXAMINER'S COMMENT

Applicant has argued that some claims (e.g., claim 1, line 8) and portions of specification have very little space between two words because they are written with the text extending to both the left and right margins (full justification). The examiner would like to remind applicant that potential confusion may result from the application's current format. The examiner still recommend applicant to adjust the left and right margins so as to have reasonable space between two words.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kin-Chan Chen whose telephone number is (571) 272-1461.
